Security

Overnight address	
Security Specifications at address	

Motor security requirement for theft and hijacking

- Vehicles valued more than R500 000 require a tracking device.
- The minimum required is a Vesa immobilizer.
- Vehicles over R750 000 require two tracking devices. One must be an early warning system.

It should be noted that some of the vehicles on the list must have two tracking devices installed. Confirm with RS Brokers.
